

Student Assessment Sheet

(to be completed by the Agent)

We understand the new CSU GTE Student Assessment and Financial forms look at first to be overly burdensome they are not meant to be. In fact, these form should be viewed as helpful tools to assist you to establish a student's GTE status and should not add extra work to you or your staff. These are questions which we are sure you have already been asking for many years when establishing a student's GTE status. We have asked our partners (agents) to help gather this information, not only for our records but also so that each and every student fully understands the costs and financial requirements of study in Australia. It's important to know that gathering this information is now important for both the university and the agent as each agent is now also mentioned on the visa documentation. There is no right or wrong answer to the questions asked, rather we hope our partners will ask as many of the questions listed to be 100% confident their student is genuine.
