6. Previous study in the UK (for overseas (non-EU) applicants)

The Home Office has introduced a limit to the time that international students on a Tier 4 Student Visa can spend studying at degree level. There will be a general limit of 5 years on study time but this will not apply to those studying for Master's degrees following successful completion of an undergraduate degree where the undergraduate course duration was 4 or 5 years. In these cases the limit will be set at 6 years. We also have to ensure that any study you are proposing to undertake represents academic progression from any previous studies in the UK.

In view of this new policy it is essential that you answer the following question:

Have you ever studied previously in the UK? Yes No

If **yes**, please list below any previous study (regardless of the level i.e. English language courses) undertaken in the UK. We will also require copies of all visas held during those periods of study.

Institution	Course studies and level i.e. foundation/degree etc	Start and completion of course	Type of visa held during period of study

If you have previously been a student at the University of Northampton please give your student ID number.
